Third Step Prayer (page 63, Alcoholics Anonymous)

God I offer myself to Thee—to build with me and to do with me as Thou wilt. Relieve me of the bondage of self, that I may better do Thy will. Take away my difficulties, that victory over them may bear witness to those I would help of Thy Power, Thy Love, and Thy Way of Life. May I do Thy will always. Amen

Step 5 Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

"If we skip this vital step, we may not overcome drinking. Time after time newcomers have tried to keep to themselves certain facts about their lives. Trying to avoid this humbling experience, they have turned to easier methods. Almost invariably they got drunk. Having persevered with the rest of the program, they wondered why they fell. We think the reason is that they never completed their housecleaning. They took inventory all right, but hung on to some of the worst items in stock. They only *thought* they had lost their egoism and fear; they only *thought* they had humbled themselves. But they had not learned enough of humility, fearlessness and honesty, in the sense we find it necessary, until they told someone else all their life story." (pages 72-73)

"Once we have taken this step, withholding nothing, we are delighted. We can look the world in the eye. We can be alone at perfect peace and ease. Our fears fall from us. We begin to feel the nearness of our Creator. We may have had certain spiritual beliefs, but now we begin to have a spiritual experience. The feeling that the drink problem has disappeared will often come strongly. We feel we are on the Broad Highway, walking hand in hand with the Spirit of the Universe.

Returning home we find a place where we can be quiet for an hour carefully reviewing what we have done. We thank God from the bottom of our heart that we know Him better. Taking this book down from our shelf we turn to the page which contains the twelve steps. Carefully reading the first five proposals (steps) we ask if we have omitted anything, for we are building an arch through which we shall walk a free man at last. Is our work solid so far? Are the stones properly in place? Have we skimmed on the cement put into the foundation? Have we tried to make mortar without sand? (page 75)

Step 6 Were entirely ready to have God remove all these defects of character.
