

Call 5 and Keep 'em Alive!

Saturday

August 7th, 2010

If everyone makes five phone calls to people we haven't seen at meetings, think of all the people we will reach. Let's all do our part and work on this 12th Step Within Service Project, reach out and touch someone.

You could make all the difference in the world.

Look through your "We Care" books or the meeting phone list and write five names and phone numbers of members you haven't seen in a while.

Then, on August 7th, call them just to say hello,
invite them to a meeting
and let them know they are important.
