2012**

7:00 ~ 9:00pm

**The Temple Emanu-El 100 James St. Edison
Across from JFK Hospital**

RECOVERY
BEYOND
OUR WILDEST
DREAMS

\$5.00 Donation

No one turned away due to lack of funds

Keep coming back, no matter what. The overwhelming experience of those who relapse is that returning to the program can bring new, better, and richer rewards and insights than we ever dreamed.

Join us for a workshop dedicated to addressing relapse and supporting the still suffering compulsive overeater inside the fellowship.
