Directions: Take the Garden State Parkway to Exit 137 (Cranford, Roselle Park Exit). Follow the signs for North Avenue/Route 28 West. Follow North Avenue into the center of Cranford. Look for a plaza with the town clock on the left, and make a right turn at the next traffic light onto Eastman Street. Turn right and make an immediate right turn into the driveway that leads to the parking lot - otherwise street parking is available (metered parking for 1 hour on Eastman St. – no meters on Holly Street). The church is at the intersection of Eastman and Holly Streets two blocks down at a blinking light. There is limited parking in a lot between the Church building and Fellowship Hall.
