

“There Is A Solution” OA Meeting Presents...

Monthly Step 1 Meeting: Understanding Powerlessness

9am-10:30am
First Sunday of each month!

An informative journey through the Big Book chapters covering Step 1: The Drs Opinion, There Is A Solution & More About Alcoholism.

Geared towards members, **new & old**, who would like to learn the facts about the illness of compulsive eating and why abstinence is only the beginning and not enough to bring about the much desired freedom from the bondage of food we seek.

Our hope is to bring members together who are in need of Step 1 and those who have worked The 12 Steps of OA and are looking for people to carry the message to in Step 12!

Every Step 1 is another fellows' Step 12!
