

CJIOC Literature Distribution Program

One of the many functions that your Outreach Committee does is to act as a bridge between Overeaters Anonymous your local community of doctors, psychiatrists, pharmacy's, therapists, counselors, nutritionists, libraries and the clergy.

OA members are placing and maintaining literature in waiting rooms of participating medical professionals, counselors, nutritionists, etc. who have agreed to both endorse and recommend the OA program of recovery to those people who may benefit. We are also in the process of working a similar program with public facilities such as Libraries, municipal buildings, senior centers, members of the clergy as well as other venues. The objective of these programs is to give hope to those individuals who suffer from the disease of compulsive overeating and are not aware of the OA program of recovery.

Appropriate literature for each venue will only be distributed by an OC Rep. at monthly IG meetings and at CJI events e.g. Unity & Idea Days- For further details: Please see the IG rep at your local meeting, attend the Monthly IG meeting at Old Bridge Hospital or attend the CJI Idea or Unity day functions.
