Chair Report

The April CJI Intergroup meeting was very busy and very productive as we concentrated mostly on the now finalized World Service Business Conference Business Agenda. I am again happy to report that the CJI sponsored motion welcoming those who had weight loss surgery into OA will be on the agenda. The voting included discussion on every business motion and bylaw amendment appearing with the exception of a set consent agenda which was voted as a block. We will be sending two WSBC delegates to the conference in Albuquerque, Brenda S and Christina H. CJI appreciates their dedication and service. After the voting, Christina H read the presentation she will be making as presenter of the motion and first pro.

As reported last month, we voted not to have a CJI sponsored Sponsorship Day but created a committee headed by Frank M to encourage and support CJI groups in hosting Sponsorship Day workshops. We at intergroup are here united in the desire to carry the message of recovery to all who still suffer. I sincerely hope you will join us as a group representative or visitor at our next Intergroup meeting.
