Unity Day is an opportunity for the New Jersey members to share their strength, experience and hope with each other. The day brings the focus back to what draws us together, that we share a common peril and have a common solution to be gained through working the 12 Steps.

At 2:30pm members of our 6,700 groups in 75 countries will pause in the day and join hands in an expression of unity and to reaffirm the strength inherent in OA worldwide.

Join us, bring a friend. All are welcome!

If you are looking to do service work to express your gratitude for OA, we have just the job for you.
