

Dear Friends of CJI,

On Friday, October 9, we again held our intergroup meeting utilizing the Zoom meeting option. It was attended by 12 members including myself. The November 13 Intergroup meeting will also be held via Zoom.

This meeting was very productive and I encourage you to read the details in the included "What's New in Intergroup".

Just a reminder that CJI now has a PayPal account so to make contributions and 7th traditions. Our treasurer, Alex C has requested that when using PayPal please use the "Family and Friends" option. Please check our website to see how to use the PayPal account to make contributions and the possible included costs to do so. Again we remind you that checks to CJI are still welcomed and accepted.

I have again re-sent the flyers for our current "Zoom Around the World" contest hosted by our twelfth step within committee. The flyer contains information including instructions; the attendance sheet contains listing of the Regions plus one link for every region. Just to remind, all are welcomed but the raffle only applies to CJI members.

CJI will be hosting IDEA Day virtually on Saturday, November 21st with 4 out of state speakers; please see updated flyer.

Our CJI outreach chair, Mike J along with the committee has began a newcomer pamphlet distribution program; please see included document.

I am happy to announce that CJI has an intergroup Zoom account to host CJI events with an option to host up to 300 attendees. Please contact Alex C (alexcecchini518@gmail.com) for further information and reservations.

Our CJI web site has much information, including meeting information, CJI and non CJI events, our newsletter and much, much more. Please visit us at:

Please all, stay safe and with God's guidance and love, we will all come through this more united in recovery.
