Chair Report

The February 12th CJI Intergroup meeting was again held as a Zoom meeting due to the pandemic safeguards in place and convened at our new 7 PM starting time. The meeting was very well attended by 15 members including myself.

In addition to our regular reports, we held the election for both secretary positions. I am happy to report that Brenda S was elected as the recording secretary and Bobbi L was elected as corresponding secretary nomination.

We discussed and voted on the 2021 World Service Business Conference (WSBC) motions. This action is to determine what service bodies wish to appear on the agenda. Results are submitted and motions must receive a 50% yes vote from responding service bodies to appear on the agenda.

Results are announced by World Service in late March and then in April, CJI will vote for or against each motion so to give guidance to the WSBC delegates during the actual conference.

We at intergroup are here united in the desire to carry the message of recovery to all those who still suffer.
