Chair Report

The March 12th CJI Intergroup meeting was again held as a Zoom meeting due to the pandemic safeguards in place and convened at our new 7 PM starting time. The meeting was attended by 9 members including myself.

In addition to our regular reports, we welcomed our new officers, Brenda S, recording secretary and Bobbi L, corresponding secretary. We thanked outgoing secretaries, Kim J and Sima M for their many years of service.

Results of the WSBC Business Agenda Questionnaire were announced by World Service and reported. The body conducted a Young Person's survey requested by World Service.

It was reported that our two literature proposals from 2019 will be submitted to the 2021 World Service Business Conference literature committee for consideration. One is a pamphlet to welcome to OA, those who had weight loss surgery and the other, a Twelve Tradition workbook,

We at intergroup are here united in the desire to carry the message of recovery to all those who still suffer.
