

## **THE OA REGION ASSEMBLY – Spring 2021**

**March 20<sup>th</sup> – Zoom**

This virtual agenda was not as good as our previous face to face Assembly's had been in that there were many activities that would have complemented the Assembly that had to be eliminated. However under the circumstances we did accomplish quite a bit as a Region. LeeAnn's summary of this event very clearly described what was done. What actually worked out better for me is that the Outreach Subcommittee that I was on, had more members than we had at our last face to face meeting and we were able to accomplish quite a bit. Our previous chair of the subcommittee had to resign just before the meeting but had given us so much input and assistance before he left. This helped us greatly to finish the tasks we had started in the fall of 2020. Thank you very much Mark E. Our subcommittee elected new officers and learned later on that our new Board Liaison was going to be Lee Ann. Hooray!! Our subcommittee had taken on the following tasks:

We already completed the following:

1. Updated our Funding application.
2. Revised the PP presentation and posted it on our website
3. Revised and updated the OUTREACH section of our website
4. Posted link to Beginners pamphlet on web site
5. Secured a new home for our Outreach Materials that we can share with other IG's

We are presently working on the following;

1. Finding new venues and procedures for doing virtual Outreach events and posting them on our website.
2. Listing Newcomer meetings on our website.

All in all I was very pleased with the results of the assembly and am honored to be part of this great team.

Mikey
