Chair Report

The June 11th CJI Intergroup meeting was again held as a Zoom meeting due to past pandemic safeguards in place and convened at 7 PM. The meeting was very well attended by 15 attendees including myself and our newsletter editor and one guest. This meeting was held on the CJI Zoom account and will continue at this time.

This month in addition to our regular reports, we held our elections for chair and vice chair as both Mike M and me rotated out of these positions effective this meeting. I am happy and with joy I announce that our new chair is Danielle M and our new vice chair is Nick C. I have no doubt both will do a fantastic job and be assets to CJI.

We at intergroup are here united in the desire to carry the message of recovery to all those who still suffer.
