

What's new at Intergroup -- February 2024

We met on February 9 at 7 pm on Zoom. I really appreciate Nick C for moderating and all the work that Mary Beth H did leading us through voting on WSBC proposals.

I did let the intergroup know that I now have a diagnosis for what has taken my voice. I have a genetic form of ALS.

Our next meeting will be on **March 8, 2024 at 7 pm** on Zoom. We will be discussing increasing funding for the Outreach Committee.

I would love to see more groups send reps to intergroup. Please let me know if you like an invite.

Yours in Service,
