

March 9, 2024

Greetings All,
Intergroup met on Friday, March 8th at 7 p.

This is the personal report that I shared with the group.

Personal Report:

I have been to the ALS clinic. I was told that I would be dead within 6 months if I didn't get a feeding tube. So that surgery has been scheduled. I have also decided to retire at the end of August. That came from a desire to walk out of there.

I just want to say that this beastie has really ruined my relationship with food. I have had many moments when it's time for me to eat and I start stalling. Do I have to?

I will listen to you all over time. I honestly don't know when it will be appropriate to leave this position..

I continue to appreciate the love and support that I have received from Intergroup. One of the spiritual principles that I have been learning a bunch about is "Let them love you."

I want to really thank Nick C for stepping up as moderator. He did a wonderful job.

We did consider and pass an Outreach budget.

We also decided to shorten our April meeting agenda so that we can really focus on the WSBC proposals.

Our next meeting will be on **April 12, 2024 at 7 pm** on Zoom. We will be discussing the motions before the WSBC.

I would love to see more groups send reps to intergroup. Please let me know if you like an invite.

Yours in Service,
Robin B
