

Intergroup met on zoom on Friday, April 12 at 7 PM. Unfortunately I was not able to attend because I was still recovering from a strong reaction to a medication that I received on Wednesday. I am grateful to report that I am much better, and I am hugely grateful to Nick C, our Vice Chair, for sitting in for me.

April is a challenging meeting for Intergroup, because we have to work our way through a stack of agenda items for the World Service Business Conference, to tell our delegates how to vote.

Some of the more interesting votes.

A-- To remove the word "weight" from the definition of Abstinence. It did not pass.

D -- A move to ensure that WSBC does not conflict with major holidays. It passed.

E — Allowing meetings to register as a single meeting regardless of how often they meet during the week. It did not pass

1 —Scheduling WSBC alternatively in person and online. It did pass.

4 — Using the word God instead of him in the steps. It did not pass

5— God's self in the traditions. It did not pass.

10 — who may address the convention, It passed,

I want to remind everybody that the next Intergroup meeting is on May 10.

Again applause for Nick and MaryBeth our corresponding secretary. Both did a fine job.

Robin B
CJIOA Intergroup Chair
