

Hello Friends,

Very happy to again report at this month's intergroup meeting we had a great turnout of 12 reps, and myself. We proceeded with business beginning at 7 PM this past Friday, December 12.

Unfortunately we were not able to get a 3rd World Service delegate nominee and next month we will be voting on Region Reps. I am happy to again report that Sue K has accepted one of the nominations and we will possibly have a second nominee by next month.

Please note The following Thursday meetings will not meet on Christmas and New Year's Day:

Pine Beach, Manahawkin, Thursday Online Literature meeting and Hillsborough.

Also note The Oakhurst meeting will not meet on Christmas but will meet on New Year's Day.

Please see the included flyer from the Metuchen meetings concerning their hybrid Christmas Day meeting.

Happy to report that both live events, IDEA Day and Twelfth Step Within Day. were a success with over 45 and 25 attendees respectively.

Also included is a link to our CJI website event page with additional event flyers and meeting information plus a link to the December WSO News Bulletin. You will see that World Service has new 7th Tradition payment options and an article about the need for 7th Tradition contributions to World Service so we can continue to carry the message.

I have also included notes from our last CJI Outreach Comm. meeting. As you can see Outreach works very hard to carry the message and can use help. If interested in being a committee member or helping out, please contact Lucille P
(lucillep@att.net)

A reminder to all meetings to ask first time newcomers how did they find us, very important to know this in getting our message out and attracting new members.

Our next intergroup meeting is January 9, hope to see you all there.

Yours in Service and Recovery, Ross
