

Hello Friends,

Very happy to again report at this month's intergroup meeting we had a great turnout of 14 reps, and myself. We proceeded with business beginning at 7 PM this past Friday, January 9.

I am also happy to report that we elected Lucille P for a 3rd term and Sue K to her first term as Region 7 reps.

I want to take this opportunity to thank our World Service Business Conference (WSBC) delegates Mikey J and Sima M for their dedicated work in 2025 representing CJI at the conference and related committee work this past year. Unfortunately both are not able to attend this year's conference in Albuquerque and asked for alternate delegates for the 2026 conference and Lucille P agreed to represent us in April.

Also included is a link to our CJI website event page with additional event flyers and meeting information plus a link to the January WSO News Bulletin. This Sunday there is an OA Walk scheduled, weather permitting. If in doubt please call the contact number on the flyer.

Next month we will be discussing and voting on the WSBC Business Agenda on what motions we feel should be included in the agenda. In April we will again vote on the motions in the agenda, if we are for or against. On January 24th, a meet the motion maker session is being held virtually, all are invited. OA celebrates on the 3rd weekend in January, OA's anniversary. Happy 66th!! You can see the meet the maker flyer along with the OA Walk flyer on the CJI site link included.

I have also included notes from our last CJI Outreach Comm. meeting. If interested in being a committee member or helping out, please contact Lucille P (lucillep@att.net)

As mentioned we are re-launching the [CJI Newsletter in February](#) and are still seeking stories highlighting recovery after relapse. Please send stories to our editor, Robin M (rlmm3029@yahoo.com)

A reminder to all meetings to ask first time newcomers how did they find us, very important to know this in getting our message out and attracting new members.

Our next intergroup meeting is February 13, hope to see you all there.
Yours in Service and Recovery, Ross
